
Creating a Form in Meta Ads (Lead Ads Form)

Step 1: Access Meta Ads Manager

1. Go to [Meta Ads Manager](https://www.facebook.com/adsmanager/).(<https://www.facebook.com/adsmanager/>)
2. Click on the **Create** button to start a new campaign.

Step 2: Select Campaign Objective

1. Choose **Leads** as your campaign objective.
2. Click **Continue** to proceed.

Step 3: Configure Campaign Settings

1. **Campaign Name** – Give your campaign a meaningful name.
2. **A/B Test (Optional)** – Choose whether you want to run an A/B test.
3. **Advantage Campaign Budget** – Enable this if you want Meta to optimize budget distribution across ad sets.

Click **Next** to proceed.

Step 4: Set Up the Ad Set

1. **Conversion Location** – Select **Instant Forms** as the conversion location.
2. **Audience** – Choose your target audience based on demographics, interests, and behaviors.
3. **Placements** – Choose **Automatic Placements** or manually select Facebook, Instagram, and Audience Network.
4. **Budget & Schedule** – Set your daily or lifetime budget and choose the duration for your campaign.

Click **Next** to move to the ad creation step.

Step 5: Create the Ad

1. **Ad Name** – Provide a name for your ad.
2. **Identity** – Select your Facebook Page and Instagram account.
3. **Ad Setup** – Choose **Single Image**, **Video**, or **Carousel** format.

4. **Primary Text & Headline** – Write engaging ad copy that encourages users to submit the form.
5. **Call-to-Action (CTA)** – Select a CTA like "**Sign Up**", "**Get Offer**", or "**Learn More**".

Step 6: Create the Instant Form

1. Click **Create Form** under the **Instant Form** section.
2. Choose a **Form Type**:
 - **More Volume** (Easy to complete)
 - **Higher Intent** (Includes a review step before submission)
3. **Intro Section** (Optional)
 - Add an introductory paragraph explaining the purpose of the form.
4. **Form Fields** – Add the required fields like:
 - **Full Name**
 - **Email Address**
 - **Phone Number**
 - **Custom Questions** (Optional)
5. **Privacy Policy**
 - Add a link to your privacy policy (Required by Meta).
6. **Completion Message**
 - Customize the message users see after submitting the form.
 - Optionally, add a website link for further engagement.

Step 7: Review & Publish

1. Review your ad, budget, targeting, and form settings.
 2. Click **Publish** to launch your campaign.
-
