

Proposal for LMS Development

Prepared for: NIPUNA TECHNOLOGY

Location: Mr. RAJA POPLU,

Nipuna Technology,

Vijaywada,

Prepared by: Excerpt Technologies Private Ltd

Location: B133/1, 2nd Floor,

ITI Estate,

Whitefield Main Rd,

Mahadevpura,

Bengaluru – 560048

Features Overview

1. HOME – Login, Profile

2. USER MANAGEMENT

- Roles & Permissions – Admin, Instructor, Student, and Guest roles.
- Student Enrollment – Manual or automated course enrollment.
- Instructor Management – Create and manage instructor profiles.
- Parent Portal (Optional) – Allows parents to track student progress.

3. COURSE MANAGEMENT

- Course Creation – Add course content, descriptions, and pricing.
- Curriculum Structure – Modules, lessons, quizzes, and assignments.
- Prerequisites – Set requirements before taking a course.
- Drip Content – Release course content in stages.

4. LEARNING & ASSESSMENT FEATURES

- Video & Text-Based Lessons – Support for PDFs, slides, and live classes.
- Quizzes & Exams – Multiple-choice, short answer, and coding tests.
- Assignment Submission – Upload assignments with deadlines.
- Certifications & Badges – Auto-generate certificates on course completion.
- Gamification – Points, leaderboards, and rewards to engage students.

5. COMMUNICATION & COLLABORATION

- Discussion Forums – Course-based forums for Q&A.
- Live Classes & Webinars – Integration with Zoom, Google Meet, or Jitsi.
- Chat & Messaging – Direct messaging between students and instructors.
- Announcements & Notifications – Email/SMS alerts for important updates.

6. PROGRESS TRACKING & REPORTING

- Student Progress Dashboard – Track lessons completed, quiz scores, etc.
- Instructor Analytics – Monitor student performance.
- Admin Reports – Enrollment rates, engagement stats, revenue reports.

7. PAYMENT & SUBSCRIPTION SYSTEM

- One-time & Subscription Plans – Monthly, yearly, or per-course payment.
- Discount Coupons & Offers – Promotions for students.
- Multiple Payment Gateways – Stripe, Razorpay, PayPal, UPI, etc.
- Refund & Cancellation Policies – Manage refunds easily.

8. INTEGRATION & CUSTOMIZATION

- API Support – Connect with third-party apps like CRM, HRMS, and ERP.
- Multi-language Support – Enable localization for different languages.
- Custom Branding – White-labeling options for institutions.

9. SECURITY & COMPLIANCE

- Data Encryption – Protect student data.
- Role-Based Access – Restrict content based on user roles.
- GDPR & Compliance – Ensure privacy laws are followed.

10. BONUS FEATURES (OPTIONAL)

- AI-based Personalized Learning Paths
- AI-powered Chatbot for Student Support
- Mobile App Version of the LMS
- Blockchain-based Certificate Verification
- Here's a **React-based LMS prototype** with essential features like course management, user roles, progress tracking, and authentication. It includes:
 - Dashboard for Admins, Instructors, and Students
 - Course Listing & Details Page
 - User Authentication (Dummy Implementation)
 - Basic Routing & Navigation
 - Progress Tracking & UI Components

1. Technology Stack

- **Frontend:** React.js (for dynamic and responsive user interfaces).
- **Backend:** Node.js (for scalability and performance).
- **Database:** MongoDB (NoSQL) for all the details
- **Payment Gateway:** Stripe, Razorpay, or PhonePay.
- **Hosting:** Smarter ASP.NET.

2. Project Phases & Timeline

Phase	Timeline (in Days)
Requirement Gathering	3
Frontend Development	16
Backend Development	16
Testing & QA	9
Deployment	1

3. Cost Estimate

Sl. No.	Description	Costing
Part A – LMS		
1.	User Management	₹ 9000.00
2.	Course Management	₹ 11000.00
3.	Learning & Assessment Feature	₹ 14300.00
4.	Communication & Collaboration	As Applicable
5.	Progress Tracking & Report	₹ 6000.00
6.	Payment & Subscription System	₹ 11000.00
7.	Integration & Customization	As Applicable
8.	Security & Compliance	₹ 3000.00
	A - Total	₹ 54300.00
Part B – Yearly Maintenance		
9.	Domain Purchase (Yearly)	As Applicable
10.	Website Hosting (Yearly)	As Applicable
11.	SSL Certificate	As Applicable
	B - Total	As Applicable
	Total (A+B)	₹ 54300.00

NOTE: 18% GST applicable on all orders

4. Support & Maintenance

- **Post-Go-Live Support:** Free for the first year.
- **Annual Maintenance:** Includes updates, bug fixes, and server monitoring.

5. Terms & Conditions

- Changes to scope will require mutual agreement.
- Payment terms: 50% advance, 30% after development, 20% post-deployment.
- Excludes third-party costs (e.g., domain, SSL, payment gateway fees, Messaging APIs).

6. Commercial Details

- **Total Cost for Design & Development:** ₹ 54300/- (includes API integration).
- **Recurring Costs (Annual):**
 - **SSL Integration:** ₹. As Applicable
 - **Hosting Charges:** ₹. As Applicable
 - **Maintenance Charges:** ₹. As Applicable.

7. Payment Schedules

- 50% Advance Payment:** To initiate the project.
- 30% Payment:** Upon completion of the frontend and backend development.
- 20% Payment:** After deployment and final sign-off.
- Annual Maintenance Contract (AMC):** Starts **after 1 year** from go-live, billed annually.
